ELECTION AND AMENDMENT

Dear Sir:

This paper is in response to the Office Action, dated September 15, 2005. Please amend
the above-identified patent application as follows:

Election is made on page 2 of this paper.

**Amendments to the Claims are reflected in the listing of claims which begins on page 3
of this paper.**

Remarks begin on page 6 of this paper.

Appln. No. 10/815,266
Election and Amendment dated October 17, 2005
Response to Office Action dated September 15, 2005

Election

In the Office Action, a restriction was issued, requiring an election of one of the following groups:

- I: Claims 1-23 and 37-51, "drawn to a camera where the film chamber has an endcap assembly with a movable shutter blade, classified in class 396, subclass 538."
- II: Claims 24-32, "drawn to a method for loading film into a camera with a detachable drive source, classified in class 296, subclass 388."
- III. Claims 33-36, "drawn to a method of loading a DCS film cassette into a camera, classified in class 396, subclass 512."

Applicant elects Group I, which corresponds to claims 1-23 and 37-51. This election is made merely to comply with the restriction requirement and is not to be construed as surrender of any subject matter in the application including the non-elected claims.
